Re: William Berman

Dear Dr. Kominsky:

I response to your telephone call regarding William Berman who died at this hospital Feb. 5, 1960, I wish to advise that he was admitted to this hospital on July 8, 1919 and because of his severemental condition it was impossible to get any information from him. We did learn that he was born in 1888 in Russia, but we do not have the names of his father or mother. We do know that he was single and that he was employed as a laborer. Our records fail to show any correspondence with anyone relative to him. In 1924 a Mrs. John Swatz of 36 Essex Street, Bangor came to visit with him. On our visiting card are also the names of Freda Miller and Mrs. Share.

I am very sorry that I have no other information to give you, but I hope that what I have given you will help.

Sincerely yours,

Harold A. Pooler, M.D.
Superintendent
